

193

where will you go?...

October 2006

Dear Friends,

Thank you for your interest in participating in Mission 193.

God is doing great things in the world. We are a privileged people to be called to participate in His purpose and vision to see the *earth filled with the knowledge of the glory of the Lord as the waters cover the sea.*¹

God has given us a mandate through His Word to reach all nations. Our challenge over the next two years is to reach all 193 nations, as recognised by the United Nations. This will be done through willing volunteers, like yourself, who want to embark upon an exciting adventure by visiting and praying over a country, proclaiming the prophetic scriptures and declaring ownership of the country for the Lord Jesus Christ. You will also deliver a letter of greeting along with bibles (one per person) to righteous people within the country.

We ask you to prayerfully consider where God would have you go. Some may travel to far off countries and others to countries that are closer. Others may seek to incorporate this mission with an annual holiday to make it a "vacation with a mission". Only those travelling in two's or more will be considered for Mission 193, under the auspices of ministries without borders™.

When you know what country you would like to travel to, please enclose the registration fee and complete the application form available from the website (www.mission193.com) and return to Mission 193 at the address below.

We have bibles ready and available for the predominant language used in each of the 193 countries. The fee you enclose with your application covers the average cost of the bibles, postage and packing. Once you have submitted your application and it has been accepted, we will send you all the resources you need for Mission 193.

Thank you again for your interest in Mission 193. Together we shall see His purpose fulfilled in the earth. We look forward to hearing from you!

Yours through grace,

Keri Jones
